NATIONAL
Polled Shorthorn Congress
Lincoln, Neb.

Sixth Annual Show and Sale

February 1-2, 1946

Polled Shorthorn Quality

is NEVER an ACCIDENT
but the RESULT
of HIGH INTENTION
and SINCERE EFFORT

Polled Shorthorns are a sound economic and financial investment. The dollar may change in value, but an efficient working herd of registered Polled Shorthorns is the greatest possible assurance for future economic security. Polled Shorthorns have more to offer cattlemen than any of the other naturally hornless breeds—all the advantages of greater weight for age, increased milk capacity, early maturity and grading up ability of the Shorthorn, plus the greater efficiency per animal unit where dehorning is unnecessary. Polled Shorthorns are good doers, good foragers, and have an unexcelled ability for turning good grass into good flesh efficiently and easily. They are profitable and popular in feedlot and pasture because of their excellent dispositions and natural hornlessness.

Demand for Polled Shorthorns is constantly increasing not only in America, but also in practically every cattle country in the world. Breeders are only confronted with producing enough good ones to meet the demand. Good times are ahead. Meat has taken on a new value in the maintenance of vigorous, healthy, human life, and the purebred herd is the basis of all progress in beef cattle production.

Here is a rare opportunity to buy the top ends from the best sources of supply—animals of modern type, individuality, of the right conformation, backed by ancestry of known performance. These are the kind to point the way to the attractive future ahead for Polled Shorthorns. WE INVITE YOU TO BUY WITH CONFIDENCE IN THIS CONGRESS.

C. D. SWAFFAR, Secretary

American Polled Shorthorn Society.

Premiums for State Group Five Head contributed by Bert A. Hanson, Vernon Center, Minnesota.

Schedule of Events

9:30 A. M., Friday, February 1st—SHOW OF CATTLE
Judge, Prof. A. D. Weber

7:00 P. M., Friday, February 1st—BANQUET—Cornhusker Hotel
9:30 A. M., Saturday, February 2d—SALE OF POLLED SHORTHORNS.

HOTEL RESERVATIONS

It is necessary that all who plan to attend this National Polled Shorthorn Congress Show and Sale make whatever hotel reservations are required as far in advance as possible. The CORNHUSKER HOTEL, Lincoln, Nebr., has been established as headquarters, and the management will make an effort to hold rooms, so please mention the National Polled Shorthorn Congress when requesting reservations.

LOCATION

The Show and Sale will be held at the State Fair Grounds, at Lincoln, located a short distance from downtown Lincoln on the north side of the city.

LUNCH

For the convenience of guests, lunch will be served at the Sale Barn on Friday and Saturday.

BANQUET

Every Polled Shorthorn breeder and enthusiast should plan to attend the Banquet, to be held at 7:00 P. M., Friday, February 1st at the Cornhusker Hotel. A very interesting program has been arranged and an excellent dinner will be served. Tickets will be available from any Association representative.

Information for the Buyer

FREE FREIGHT OFFER—The American Polled Shorthorn Society will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this Congress Sale to one destination, up to a maximum of \$200.00. Why not contact other breeders in your locality in an effort to consolidate one shipment?

MAIL BIDS—Although no travel restrictions should keep you from missing the 1946 National Polled Shorthorn Congress, there will be some who may not be able to attend but who will want to buy in this sale. We list the following competent men who will be glad to handle buying orders for you. Contact these men at the addresses listed, or they can be reached in Lincoln care of the Cornhusker Hotel, or State Fair Grounds.

J. L. Miller

AUCTIONEERS—J. E. Halsey, c/o Wallaces' Farmer, Des Moines, Iowa.
Hamilton James, Newton, Illinois.

TERMS—The terms of the sale are cash, unless other arrangements are made with the consignor from whom the cattle are purchased before sale time, and the sale manager and clerk are notified of the arrangement. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

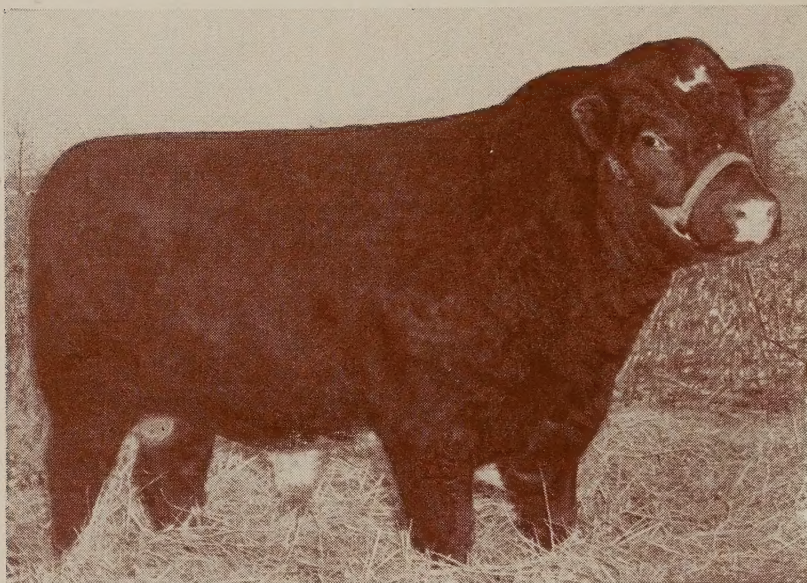

SHIPPING ARRANGEMENTS—It is the obligation of the consignors and this Society to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.**

INSURANCE—Coverage can be secured effective at the time of sale.

GUARANTEE—All animals sold in this sale will be backed by the Standard Guarantee endorsed by this Association.

LIABILITY—Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

Ready to Serve You Again

Left to right: (Rear row) F. W. Harding (insurance), Hal Longley (SHORTHORN WORLD), C. D. Swaffar (sale manager), Dan Cox (field representative, American Shorthorn Breeders' Association), J. E. Halsey (auctioneer), Clinton K. Tomson (secretary, American Shorthorn Breeders' Association), Bert Hanson (judge of '45 Congress). (Front row) Sonny Teegardin (future Polled Shorthorn breeder), Emily Krahn (assistant secretary, Polled Shorthorn Society).

We extend a cordial invitation to every breeder or prospective breeder of Polled Shorthorns, and especially to the new man entering the business, to take advantage of our buying service. Whether you want to buy an entire herd, find a suitable herd bull, or purchase a cow or two, our officers are ready to handle a purchase order or give you the benefit of their specialized training and experience regarding any of your cattle problems. If you come to the Congress introduce yourself and tell us how we can help you. If you cannot attend, but would like to own some of the animals presented in this catalog, write AT ONCE to C. D. Swaffar or C. K. Tomson, c/o American Shorthorn Breeders' Association, 7 Dexter Park Avenue, Chicago 9, Ill., giving details as to prices you expect to pay, lot numbers of animals you want, second and third choices if you have them, and full shipping instructions. OUR SERVICE IS FREE OF CHARGE.

GERONIMO—Here is a bull that has made exceptional gains from the time he was calved. He has always been a good doer, has extreme thickness and depth, and is very compact. Sired by an International Grand Champion, he has all the qualifications of a good herd sire.

LYNNWOOD ARGONAUT

This son of Lynnwood Spotlight is out of the best daughter of King Collynie Jr. in the Lynnwood herd, and one of the most outstanding cows that great bull ever sired. She is extremely thick, low-set and smooth, and a very heavy milker. One calf cannot take all her milk for several months. Lynnwood Spotlight, the sire, won his class at the 1940 International, and was in the first-prize pair of calves at that show. Lynnwood Argonaut is much like his sire.

Good Ones Are at the Congress

There is no limit to the usefulness of a truly great bull especially if he is backed up by ancestors that are known to be of the best type and character. The right bull can improve a herd almost unbelievably while a succession of improving bulls mated with good females can make the herd famous in a comparatively short time. Shown here is Alpine Sensation which embodies all that one looks for in choosing a herd bull. He was bred and consigned by Alpine Farms, Lexington,

Mo., to the 1945 Congress. He was the reserve grand champion bull of the show and sold for \$1,225, the second high price of the sale. His sire was also the sire of the grand champion bulls in the 1943 and 1944 Congress shows, and his dam is strong in grand championship breeding.

For more bulls like this buy in the 1946 Congress. Like this one they will be the future top herd sires of the breed on which no price will be placed when the calves begin to come.

LORD PROTECTOR—Is a very rugged, thick bull, sired by an International Grand Champion and out of a very good daughter of Browndale Golden Victor. Here is similar breeding to Oakwood Command that recently sold for export for \$4,700.

PRINCE AUGUST

We consider him outstanding and have several cows mated to him. He claims many distinctions outside of being a superb individual—his grandsire was a Perth Supreme Champion and half brothers to his sire averaged over \$1,700.00 in the Merryvale Farm Sale. His dam is a half sister to the \$4,000.00 Collynie Compact.

Lot 6—Bull

VALLEY VIEW COMPACT

We could easily be making a mistake in selling this bull, but we have two sons of the \$4,000 Collynie Compact and we only need one. He is not highly fitted as we have been breeding a number of our better females to him. Study his picture and his breeding and you will see why we think that he is one of the best herd bull prospects to be offered anywhere.

COLLYNIE PATRIOT—Is bred on a strong Scotch foundation—topped by Collynie Special x and out of the dam of Gallant's Model x, the breeding that produced Collynie Top Flight x, the 1944 champion bull at Omaha. He is one of the widest, thickest, squarest, best rear-quartered bulls produced in many a day.

CROWN PRINCE

Represents the very best in both polled and horned breeding. His heritage is undisputed. He is one of the few polled grandsons of Calrossie Prince Peter that will be offered for sale. His sire placed second at the Denver show in 1944 and later was reserve champion and second high selling bull at Omaha.

Australian Buyer Pays Record Top

The increased interest already being shown by leading breeders in foreign countries with the cessation of world hostilities, is positive proof of the merit of Polled Shorthorns in the cattle countries of the world. In spite of shipping difficulties even during the years of war, Polled Shorthorns were exported from the United States to 10 foreign countries. The bull shown here is Oakwood Command, one of the outstanding bull prospects in America, which was sold for export

this fall at the record price paid for a Polled Shorthorn bull in this country of \$4,700. He was purchased at the Oakwood Farm Sale, Ashville, Ohio, by Marshall L. Boyle of Hennepin, Ill., on export order for James Scrymgeour, owner of Netherby Stud at Warwick, Queensland, Australia.

Many bulls in this Congress will be real buys when judged by the future performance they will turn in for your herd. They will be as valuable to you as an American breeder as this bull is to his new owner in Australia.

ALPINE CHARMER—Is another good red son of Collynie Impression. He is a thick, good headed bull with a world of bone and ruggedness—all the ancestors immediately back of this bull are dark colored and he is from one of the most popular families in the Thieman herd.

VICTOR

Is a real dark solid red color, low-down, with a good head, well quartered and has good lines. A real show calf. His sire is a double grandson of Oakwood Royal King. His dams is a daughter of the great breeding bull, Collynie Sensation. This calf has all the qualifications necessary for one of the top bulls of the breed.

She Doubled Her Value in Nine Months

It takes unsurpassed matrons bred to impressive bulls to produce champions. To get the good ones the best must be mated to the best with superior producers backing each line. Here is the embodiment of that procedure—the reserve grand champion female at the 1945 Polled Shorthorn Congress which brought the top price in the female division of \$1,025 and resold late in 1945 for \$2,000. She adds one more significant chapter to man's incessant attempt to make good

things better. She is Cherry Hill Gloster O and has an International grand champion and a sire of an International grand champion in her dam's breeding. Her sire is a most impressive imported bull backed by superior producing ancestors. She was consigned by H. L. Straus of Reisterstown, Md., and sold to C. B. Teegardin & Sons of Ashville, Ohio.

The herd which achieves distinction consists of the best bull that money can buy with good females like this one which can enhance that bull's value with each succeeding crop of calves. You'll find plenty of the good ones in the 1946 Congress.

His Nod of Approval Uncontested

Dr. A. D. Weber, chief of the Livestock Husbandry Division of the Kansas State College, Manhattan, Kans., and secretary of the Kansas Shorthorn Breeders' Association, has been chosen to place the awards at the 1946 Polled Shorthorn Congress. Dr. Weber's sterling reputation as a judge was most remarkably evidenced at the 1945 Chicago Market Fat Stock Show when he made the awards in the largest

steer show ever assembled at Chicago with surprisingly no contention from any source.

Dr. Weber believes firmly in good cattle. He recently wrote in the **SHORTHORN WORLD**, "A herd of good quality young beef cows that is paid for is perhaps the greatest asset a cattleman can have during a period of financial stress. This is an excellent time to put cow herds on that basis."

We can add that there will be no better place to find good quality young beef cows than in the 1946 Polled Shorthorn Congress.

GLEN KNOLLS GOLDSPUR—Is out of a solid red daughter of imported Millhills Rufus and is by our 100 percent dehorning bull, Forest Glen Colonel.

VALLEY VIEW MASTERPIECE

Nearly everyone who has seen this bull from the day he was born says that he is the best prospect we have ever produced. Gloster Dale has sired a lot of good calves for us and this bull is one of the best. A full sister was Grand Champion female at the Nebraska State Fair in 1941.

LYNNWOOD EMPEROR

This very smooth son of Fascinator is out of the Juno daughter of Oakwood Emperor, an International Grand Champion bull. She was the top heifer in the Teegardin-Hultine sale in 1938. This calf carries a fine combination of bloodlines and should prove a great sire.

CORONET LEADER—Is a very heavy built, short-legged red bull much like his sire. Max Browndale, his grandsire, is sire of the bull used in the Leemon herd. Ceremonious Browndale, that produced many good cattle for them, including the International Grand Champion, Ceremonious Goldspur. A heifer from Augusta 22d sold for export to Venezuela and a son of hers is in the herd of Moise Cerf, Ennis, Texas. This calf is her best. Bangs vaccinated.

ALAUNA COLLYNIE

Is out of a cow that is low set, thick with plenty of scale and milk. We have four daughters of his dam's sire in the herd that are "nicking" with our herd sire. He comes by his thickness, depth and excellent conformation naturally and should make a real show ring winner and an outstanding herd sire.

Efficiency Par Excellence in Beef Cattle

Polled Shorthorn steers furnish the utmost in efficiency in commercial beef. They have all the earlier maturity and natural greater weight for age of the Shorthorn, plus the added feature of natural hornlessness, which saves the setbacks, the time and labor cost at dehorning time. Invariably steers that go to the top in the shows and markets are sired by high class registered bulls out of top producing cows. This Polled Shorthorn steer illustrates what we mean. He was reserve champion 4-H steer at the 1941 Iowa State Fair, was bred by R. E. Phillip of Red Oak, Iowa, and is shown with his attractive fitter and exhibitor, Sarah Pauline Windom of Nodaway, Iowa. The steer is by Gold-

spur Villager x and is a full brother to the dam of Red Oak Renown x, a bull entered in the 1946 Congress.

Buy in this sale for good registered bulls that will produce top steers like this one.

Polled Shorthorn Steers Lead the Way

purebred Polled Shorthorn bulls which will sell at reasonable prices in this Congress.

Dr. D. W. Griffin, Polled Shorthorn breeder of Chipley, Fla., is the kind of purebred breeder who believes that one of the functions of the purebred cattle industry is to improve the quality of commercial cattle. Here is his daughter Betty with her white Polled Shorthorn steer, reserve grand champion over all breeds at the 1945 Southeastern Fat Stock Show and Sale, Ocala, Fla., where Betty and her white steer each year are almost a standard feature of the show. In a group of 69 steers of all breeds competing, only three were Shorthorns. One of the other two was a Polled calf shown by Betty's brother, Ben, which placed fifth and sold for 69 cents a pound, the second high price of the show. Betty's steer was part of an exhibit arranged by a Miami Chain Store and was seen by thousands of persons in Miami's Bayfront Park.

There is no substitute for a good purebred bull of known heritage for increasing the efficiency per animal unit. Commercial cattlemen can add 20 to 25 percent more weight in their calves at weaning time by using the good

CORONET SEARCHLIGHT—Is out of a red cow that was reserve champion female at one of the Ohio Breeders Show and Sale. She is sired by the great breeding bull, Scottish Peer x. Her calf sold last year to a good herd in New York.

LYNNWOOD EXCELLENCE

This son of Fascinator and Charming Mina should sire really thick, low-set, short-coupled calves. His dam is one of the most outstanding cows in our herd. She was in the first prize Get of Sire at the 1939 International, stood first as a two-year-old at the 1941 International and second at both the 1939 and 1940 Internationals. His sire was first prize Junior Bull calf at the 1940 International and top bull in the International sale that year. He is the same thick, compact sort of a bull as Lynnwood Admiral, Reserve Champion at the 1944 Congress, also sired by Fascinator.

Roan, S. W. Stewart & Son**RED OAK RENOWN**—Is a dark red roan son of Sensation. You have to look twice to see that he is not red in color. The dam of this calf is a full sister to the Reserve Champion 4-H Club steer at the 1941 Iowa State Fair, defeating calves from the best horned herds of the Nation for this honor. He is too young to bring his true value but is the oldest bull we have left, with one exception. He should be a dehorner, as to date, Sensation has never sired us a calf with scurs or buttons.

FLOSSIE'S PRIDE

Is a top producing daughter of the renowned Ceremonious Charwill x . . . one son was the grand champion and top selling bull in the 1944 Iowa Polled Shorthorn Show and Sale, now in the herd of George E. Smith. Selling with a dark roan heifer calf at foot, dropped July 20, 1945, sired by Stardale x2020699 and will be rebred to same bull by sale time.

"The Breed with the Brightest Future"

That Polled Shorthorns are rapidly sweeping to the front in popular acceptance everywhere is strongly evidenced by the 24 percent increase in new members during the fiscal year of 1945 over those in 1944, and looking back over a six-year period the increase in memberships has jumped 160 percent; in registrations, 81 percent; and in transfers, 115 percent. We would like to have you become one of us as a new breeder.

In addition to the wide new markets created, further reason for our rapid growth is the savings in recording fees accorded to members. Every member upon joining immediately receives a 50 percent saving on recording and transfer fees. No other cattle registry association can match OUR LOW COSTS OF MEMBERSHIPS, registration and transfers.

A Life Membership costs only \$10 plus annual dues of \$1. In addition to reduced recording fees, your name goes on the lists of breeders sent to all prospective buyers as a source of supply; you have a vote in the election of delegates and directors, and best of all, your membership fee is put IMMEDIATELY TO WORK finding NEW BUYERS for Polled Shorthorns. Send your check now and help boost "the breed with the brightest future." Write to the POLLED SHORTHORN SOCIETY, 7 Dexter Park Avenue, Chicago 9, Ill.

RED OAK MISSIE—Is a richly bred Marr Missie cow sired by Goldspur Villager x and is one of the good cows of the breed. Her calves by Sensation have been blue and purple winners for us at Omaha and our State sales. She is due to calve to Red Oak Sensation x2036756 April 20th and her coming calf can be outstanding. She is Bangs vaccinated. Study her pedigree and look her over at the sale. Her heifer calf was top selling female at our State sale year before last.

CLARA B 21st

This smooth, breedy cow has her third calf at foot—a roan bull, calved October 12, 1945, sired by Star Dust x2201166, a grandson of King Collynie Jr. x. Her yearling heifer is one of the best females in my herd. Rebred to Collynie Front Rank x2108935.

AUGUSTA 120th

Since photo was taken she dropped a solid dark red bull calf by Collynie Climax x2231711, on November 12, 1945. They are the most valuable pair we have sold at auction. The pedigree of the cow is the acme of top Polled Shorthorn breeding. Consider the worth of the calf as a future sire. His sire, the flashy Collynie Climax, was good enough to sell for \$1,300 at seven months of age.

Beef Cattle Conversion Begins at Lincoln

Polled Short-horns are the choice of the man who looks to the permanency of his economic future as well as to a long term breed-

ing herd program. These thick, blocky, close to the ground, quiet, easy feeding matrons with abundant scale for age and plenty of milk for early maturing calves, are the foundation herd of a man who started with the right kind, most of which came from the Congress sales where there is always a wide choice of excellent females. Upon the cow herd depends the speed with which returns are gained on cattle investment. These cows are the kind that not only go on working for their owners every minute of their lives, but also turn otherwise wasted roughage into a thrifty bank balance at the same time converting land into more fertile acres.

The next few years will be a period of conversion in the purebred beef cattle business to a highly efficient, economical basis, and the place to start is with the good females in the 1946 Congress.

RUBY 2d—By a dark red grandson of Collynie Sensation is a heifer that should remain in our herd. Consider the good sires that appear in her pedigree. Collynie Landmark was considered one of the best bulls ever produced by Blomstrom's. He sired the dam of the junior champion bull Collynie Dale. Bred Oct. 1, 1945, to Red Oak Goods x2250422, the dark red bull we bought in the last Omaha sale. Bangs vaccinated.

LAVENDER BLOSSOM 8th

Is out of a cow sired by a grandson of Scottish Daybreak 9th and a double grandson of Lord Collynie x. Bred Sept. 5, 1945 to Dale Fascinator x2190508, a dark red son of Collynie Fascinator x out of a dam by Gloster Dale x.

SCOTTISH DAYBREAK 20th

Is a true representative of the Scottish Daybreak family. Many of the top bulls and females trace to Scottish Daybreak 9th, International Grand Champion. She was a very excellent milker and these characteristics have been carried down for several generations. We hoped Riverside Fascinator would take the place of Collynie Compact as a herd sire, but an injury cut short his service.

MAUD 81st—Is a dark roan, deep-bodied heifer that is richly bred. Her dam was the top selling cow of the 1941 Omaha sale. This is the best heifer we have sold by Mardale King x. Sells open.

The Kind that Become Grand Champions

The improvement in type, quality and conformation of Polled Shorthorns in recent years has been one of the marvels of American pure-bred stock production. This heifer, Rosewood Bess, grand champion at the 1945 Polled Shorthorn Congress illustrates the type that when mated to an outstanding bull, is one hundred percent able to maintain the excellence of the extreme tops in a leading herd. She was consigned

by Carl D. Cross of Rockford, Ohio, and sold for \$1,000 to Lynnwood Farm, Carmel, Ind. There will be more like her at the 1946 Congress for those whose herds will take the lead in the postwar showings.

RED OAK SERAPHINA 12th—Is a choice heifer by Sensation with a good head and plenty of polled blood. Her dam is by Beauty Sultan, one of the outstanding sires of the breed. Lou Kennedy has a bull from this dam in service and another was reserve champion at Iowa State sale a year ago. A heifer from this family was Grand Champion at Omaha in 1944, selling to Otto Oswald in Montana. This heifer deserves to go into one of the good herds of the breed. She is vaccinated for Bangs.

BELLMORE AUGUSTA—A sweet-headed, attractive young heifer—granddaughter of Oakwood Gondolier, a bull that made a splendid reputation in the herd of Harry L. McCann—and out of a low-set, thick Augusta bred cow that has been a consistently good producer.

LYNNWOOD AUGUSTA C 3d

This daughter of Fascinator is out of a very good Blomstrom bred cow that regularly produces a top calf. This heifer looks like a show and breeding prospect of top rank.

Roan, S. W. Stewart & Son**RED OAK ORANGE BLOSSOM 26th**—Is an all red heifer from one of our best cows and sired by Red Oak Admiral, a solid red son of Goldspur Villager x. A son of the Admiral was Reserve Champion at the Omaha Sale last spring. This heifer came during cold weather and froze her ears and tail a little. She will make a valuable brood cow. Bangs vaccinated. An Orange Blossom heifer was Grand Champion female and Supreme Champion over all at the recent Iowa State Sale.

LYNNWOOD MAYFLOWER A 3d

This heifer, sired by Lynnwood Defender, a full brother to Lynnwood Daybreak, is wonderfully thick, heavy-quartered and low-set. Her dam was the Congress Grand Champion female in 1941 at Des Moines and sold for \$1,000 in that sale. She is one of the best brood cows in our herd today. Both the sire and dam of this heifer are very dark roans.

RED OAK GOLDIE 3d—Is an extra choice bred heifer by Sensation. She is a little young to show her true worth but she is the right kind and she would fit into a show herd this next year and give a good account of herself. We had to top the Burns dispersal sale to secure Sensation and his dam and he is proving himself to be one of the top sires of polled cattle. You will like this heifer. Vaccinated for Bangs.

Polled Shorthorns

From America to the World

America Bred Them

America Developed Them

America Improved Them

The WORLD buys them
